

CATHY BEATTY

KITCHEN & BATH
DESIGN CONSULTANT

Since joining the company in October of 2000, Cathy Beatty has not only become one of the most popular kitchen and bath designers at Case Supply, but in recent years has been responsible for the largest annual sales volume among showroom personnel.

Surpassing over one million dollars in projects sold since 2005, Cathy routinely designs kitchens and baths for Central New York's finest remodeling and homebuilding contractors.

Among her clientele are Crown Construction of Cortland, Scott McClurg of Marcellus, James Baker Remodeling and Martin Custom Homes of Syracuse.

In addition to her extensive industry education, Cathy just completed the Medallion Kitchens Advanced Design Course in New York City and the Cardell Cabinetry Sales program in San Antonio, Texas. When she is not designing kitchen and baths, Cathy enjoys spending time with her three children and four grandchildren.
