

DENISE MILLER C.K.D.

After ten years of professional kitchen and bath design and sales experience, Denise received her Certification in Kitchen Design (CKD) in 1996. The CKD is the accreditation given to only the finest industry designers and consequently has become the most coveted endorsement of a designer's ability.

Denise's creativity and personable nature are second only to her diligence and dedication to Case Supply. In addition to her hundreds of satisfied clients, Denise is also Treasurer of the Nation Kitchen and Bath Association (NKBA) CNY Chapter and the chapter's former Vice President of Professional Development and Education.

A finalist for Builder Architect Magazine's Designer of the year, 2007, Denise has collected numerous awards during her tenure at Case Supply from Medallion Cabinetry, CNY Magazine, the Parade of Homes, the Home Builder's Association of Central New York as well as being recognized by the NKBA for event planning and her participation in design competitions. Denise was also selected to design the kitchen that Case Supply donated to the Central New York edition of "Extreme Home Makeover".

She is often the preferred kitchen and bath designer for Central New York's most prestigious home builders and remodeling contractors including Heritage Homes, Alberici
