

JAY MANCARELLA

WHOLESALE SALES AGENT

As Jay prepares to celebrate 20 years with Case Supply, he has been the largest volume producer in our wholesale division for the past four years. Surpassing over 2.5 million in sales keyed each of those years, Jay is the exclusive kitchen and bath sales representative for many of Upstate New York's finest home improvement businesses. Jays lists Bill Lake Home Modular Homes, Morgan Management and Integrated Property Systems among his most prestigious clients.

During his career at Case Supply, Jay graduated from showroom sales to territory management to his eventual position as our premier wholesale sales agent. His comprehensive education in all areas of the kitchen and bath industry have allowed him to become completely fluent in all product lines and categories. On a daily basis, Jay continues to display unequalled knowledge and enthusiasm. A favorite with both clients and employees, Jay is truly one of Case Supply's greatest assets.

When not assisting his customers with their orders and inquiries, Jay enjoys spending time with his wife, Peggy, and their four children.
